We source, purchase and deliver the commercial products government buyers need — on time, at a fair price, with one accountable point of contact from quote to delivery.

## CORE COMPETENCIES

- **Product sourcing & resale** — commercial supplies and equipment purchased from vetted manufacturers and distributors
- **MRO, industrial & construction supplies** — hardware, tools, safety, fasteners, building materials
- **Electrical, AV & IT equipment** — displays, conference room systems, cabling, networking and peripherals
- **Office & facility supplies** — consumables, janitorial and furnishings
- **Procurement support** — RFQ response, vendor management, order tracking and delivery coordination

## DIFFERENTIATORS

- **Run by a working procurement specialist** — daily vendor management and purchase-order execution in the construction sector
- **Quality-first sourcing** — six years of QA management in valve manufacturing; we check specs before we ship
- **Estimating discipline** — five years of construction estimating means accurate, complete quotes
- **Hands-on AV/IT background** — six years of AV integration (Crestron, Cisco)
- **Fast, automated quoting** — AI-assisted RFQ tracking for quick turnaround · Bilingual English / Spanish
